The "Qualification cycle" runs from the last business day of the month to the business day prior to the last business day of the following month. All debit card transactions, direct deposits or ACH debits must post and clear to your account within this qualification cycle to receive higher interest and ATM fee refunds. Transactions may take one or more business days to post and clear an account after the date a transaction is made. ATM transactions do not count as qualifying transactions. Intra-bank transfers do not count as qualifying ACH transactions.
